

No.	Item	Remarks
1	Location, Country of the Projects	
2	What's Total Capacity (Watts) of PV Carport ?	
3	Steel Carport or Aluminum Carport?	
4	How many Parking Space?	
5	What's the total size of the whole Carport?Better sending CAD drawing	
6	Parking size for each?(Length*width)	
7	Wind Load: xx m /s ?	
8	Snow Load: kN/m <sup>2</sup>	
9	What's watts of each module?	
10	Module Size ? (Length * Width * Thickness)	
11	What's the Angle of Installation of solar panel?	
12	When will the PV Carport be installed?	
13	Layout of Solar Modules(Landscape or Portrait installation)	
14	Requirement on the lowest height between solar panels and ground	
15	your any other requirements ?
